Review of Marking

A review of marking can be requested on your return to College. The deadline date is **Friday 15th September.** Students **MUST** first seek permission from a Director of Faculty who will issue a consent form to confirm that they support the application. This permission must then be brought to the Exams Office and an Exam Board consent form signed, as marks can go down as well as up. Fees vary between £45 and £60 per paper.

Re-sitting modules

You should discuss any summer re-sits with your teachers in the first week of lessons. Re-sits must then be booked and paid for online by January—further instruction is given in the autumn term for this.
